-

EXPERIENCE

WordPress Developer

Fullduplex Tech — February 2022 – June 2026

- Developed and maintained WordPress websites using Elementor and WPBakery, delivering responsive and user-friendly interfaces.
- Built and customized WooCommerce websites, including product pages, layouts, and content.
- Translated UI/UX designs, wireframes, and mockups into responsive interfaces using HTML, CSS, JavaScript, and SCSS.
- Managed client websites and blog platforms, including content updates, maintenance, and troubleshooting.
- Performed website speed optimization, hosting/DNS management, and regular backups to support reliable website performance.

WordPress Developer Intern

BrainsHd — August 2021 – February 2022

- Co-developed WordPress sites, building responsive layouts alongside senior engineers.
 - Resolved plugin conflicts and UI bugs, significantly reducing site troubleshooting turnaround time.
 - Boosted performance and SEO by optimizing media assets, meta tags, and caching configurations.
 - Assisted in content updates and layout adjustments across multiple client web pages.
-
